### Materials for each quilt:

- 1 Ambrosia Ten Square pack
- 1/2 yard for binding (suggested fabric is brown crackle AAM-10760-193)
- 3-1/2 yards for backing (suggested fabric is yellow circles AAM-10759-136)

*All seam allowances are 1/4". You can make these quilts larger by adding an optional border. Just make sure to buy additional backing fabric!*

---

### Quilt A

Size: 43" x 51-1/2"

#### Quilt Top Assembly

1. Cut the solid squares into quarters, yielding 36 (5") squares.
2. Cut the patterned squares into 4 (2-1/2") strips. Pair each set of 4 strips with a solid (5") square. (You will have some extra solid squares.)
3. For each set of fabrics, sew strips onto sides of their solid square like you would for a log cabin block, trimming the strips to be even with the solid center square after each addition.
4. Arrange 6 rows of 5 blocks. (You'll have 1 block left over.)  
Piece.

### Quilt B

Size: 48" x 57-1/2"

#### Quilt Top Assembly

1. Cut each solid square into 9 (3-1/4") squares. Draw diagonal line on wrong side of these squares, from corner to corner.
2. Arrange Ambrosia prints into 6 rows of 5 blocks. (You'll have 1 square left over.)
3. Align solid squares on INTERNAL corners of your blocks, right sides together, so that your drawn line ends on the side of the squares, rather than the corner. Sew on line. Trim seam allowance to 1/4". Press triangle corners out.
4. Piece blocks together.

### Quilt C

Size: 45-1/2" x 57-1/2"

#### Quilt Top Assembly

1. Cut all solid squares and 9 patterned squares into 5 (2") strips. Join 5 strips, alternating solids and prints, to form a block. Repeat to make 18 blocks.
2. Trim remaining (10") squares to 8" x 10" rectangles.
3. Arrange 6 rows of 6 blocks, alternating between striped blocks and 1-piece blocks. (You will have 4 blocks left over.)  
Piece blocks together.

---

### Finishing (all quilts)

1. Divide backing fabric into two lengths. Cut 1 piece lengthwise to make 2 narrow panels. Join 1 narrow panel to each side of wide panel. Press.
2. Layer backing, batting, and quilt top. Quilt as desired.
3. Cut binding fabric into (2-1/4") strips. Join them into 1 continuous piece. Press, folding in half lengthwise. Sew binding to front of quilt. Wrap binding to the back and slipstitch to secure.
